

# AloAI: Transform your sales with next-gen AI SMS Bot

**What Is It?** AloAi is a state-of-the-art generative AI SMS bot that seamlessly integrates with HubSpot and GoHighLevel CRM's, revolutionizing your inbound sales funnel. It engages leads instantly and reactivates old leads, optimizing your sales process and enhancing lead conversion rates.

## Key Features:

### Instant Lead Engagement

- Engages with leads from forms, HubSpot, GoHighLevel, and inbound calls.
- Answers questions, presents offers, and schedules meetings immediately after lead submission.

### Old Lead Nurturing

- Re-engages with aging data to turn old opportunities into new deals.
- Redirects leads that don't book immediately to setters for further follow-up.

### AI-Driven Conversations

- Uses ChatGPT along with other AI technologies natural language processing to create human-like interactions.
- Enhances lead nurturing and qualification without relying on pre-defined scripts.
- Is completely non-linear, does not feel robotic and can understand implied meaning.

## How It Works:

### SMS Integration

Leverages SMS, which has a **98%** read rate within 3 minutes, for effective communication. Both inbound and outbound (can start, or answer).
